

CURRICULUM VITAE

Name:	Socrates E. PAPAPOULOS
Date of birth:	17th March 1947
Place of birth:	Athens, Greece
Nationality:	Greek/Dutch
Marital status:	Married to Dr. V. Papaioannou (pathologist) with two children
Address:	The Leiden Center for Bone Quality Leiden University Medical Center Albinusdreef 2 2333 ZA Leiden The Netherlands Tel. 31-(0)71-5262490; fax 31-(0)-71-5248136 e-mail s.e.papapoulos@lumc.nl
Education:	Athens College (Greek-American secondary school) Medical School, University of Athens (1964-1970)
Qualifications:	1970 (June) - Diploma of Medicine, Medical School, University of Athens, Greece 1974 (December) - Specialty of Internal Medicine, Athens, Greece 1976 (December) - Doctor of Medicine, Medical School, University of Athens, Greece. Dissertation: The diagnostic approach to disorders of parathyroid function (Cum Laude) 1979 (February) - Subspecialty of Endocrinology, Athens, Greece.
Registration in The Netherlands:	1984 (November) Internal Medicine (Endocrinology)
Appointments since qualification:	- 1971 (June) - 1974 (June), Assistant and Instructor, 1st Department of Internal Medicine, Medical School, University of Athens, Vasileus Pavlos Hospital, Athens (Head, Professor P. Fessas). - 1974 (August) - 1975 (August), Senior Assistant and Instructor, Department of Medicine, State Hospital for Infectious Diseases, Athens (Head, Ass. Professor P. Kontoyiannis).

- 1975 (September) - 1980 (June), Research Fellow, Clinical Research Assistant (Clinical Lecturer since 1978) in Endocrinology and Metabolism, Department of Medicine, The Middlesex Hospital Medical School, University of London , U.K. (Professor JLH O'Riordan).
- 1980 (September) - 1984 (July), Senior Registrar, Department of Endocrinology, Hippokration Hospital (teaching), Athens (Head, Professor G. Tolis). Acting Head, January 1982 - July 1983.
- 1984 (September) - 1988 (December), Chef de Clinique, Clinical Investigation Unit, Department of Endocrinology and Metabolic Diseases, University Hospital Leiden, The Netherlands (Professor OLM Bijvoet).
- 1989 (January) - 1997 (September), Head, Clinical Investigation Unit, Department of Endocrinology and Metabolic Diseases, University Hospital Leiden, The Netherlands.
- 1989 (January) - 1997 (September), Associate Professor of Medicine and Director of Bone and Mineral Research, Department of Endocrinology and Metabolic Diseases, University of Leiden Medical School.
- 1998 (January) – 2012 (March). Professor of Internal Medicine (Diseases of Calcium and Bone Metabolism), Consultant Physician and Director of Bone and Mineral Research, Department of Endocrinology and Metabolic Diseases, Leiden University Medical Center.

**Present appointment
(since April 2012):**

Professor of Medicine, Consultant/Advisor, The Leiden Center for Bone Quality, Leiden University Medical Center.

**Fellowships,scholarships,
prizes :**

- Hugh Percy Noble Scholarship (for investigation of food deficiencies and nutritional diseases).
- Sanderson Wells Trust Award (for research in cancer).
- The Astor Fellowship (The Middlesex Hospital Medical School, University of London, U.K.).
- Wellcome Trust Clinical Research Fellowship.
- The Boy Frame Memorial Award of the American Society for Bone and Mineral Research for “Excellence in the clinical field of bone metabolism”
- Lilian Clark Lectureship (and Visiting Professor), University of Texas, Southwestern Medical Center at Dallas, USA.

- The Sarnat Lecturship in Bone Biology, University of Tel Aviv, Israel.
- The John G. Haddad Award of the International Bone and Mineral Society "In recognition of outstanding contributions to clinical research in bone and mineral metabolism"
- Career Achievements Award, the Hellenic Society for the Study of Bone Metabolism
- The JB Johnson Award of the Paget Foundation USA "For advancing the understanding and management of Paget's disease of bone".
- The Novo Nordisk Award 2009 of the Dutch Society of Endocrinology "For contribution to the research and treatment of skeletal disorders".
- The Pierre Delmas Award of the International Foundation of Osteoporosis "For outstanding personal contribution to the International Osteoporosis Foundation".
- The Steven Boonen Award for Clinical Research of the European Calcified Tissue Society
- The Federic C Bartter Award of the American Society for Bone and Mineral Research for "For outstanding clinical investigation in disorders of Bone and Mineral Metabolism"
- Doctor Honoris Causa, University of Athens, Greece
- Doctor Honoris Causa, University of Thessaloniki, Greece

State Decorations:

- Commander of the Order of the Phoenix of the Hellenic Republic.
- Officer of the Order of Oranje-Nassau of the Queen of the Netherlands

**Professional Societies
(past and present):**

American Endocrine Society
 American Society for Bone and Mineral Research
 Bone and Tooth Society of Great Britain
 British Society for Endocrinology
 Dutch Society for Endocrinology
 Dutch Society for Calcium and Bone Metabolism
 European Society of Calcified Tissues
 Greek Endocrine Society
 International Bone and Mineral Society
 Medical Research Society of Great Britain.
 The Hellenic Society for the Study of Bone Metabolism.

**Editorial Duties
(past and present):**

- Editor, Clinical Research Section, of *Bone and Mineral*; (1989-1995); Associate Editor (1986 - 1989).
- Editorial Boards: *Osteoporosis International*, *Bone*, *Clinical Endocrinology*, *BONE Depeche*, *BONEKey*, *Osteoporosis Reports*, *Clinical Cases of Mineral and Bone Metabolism*, *Nature Reviews Endocrinology*, *Expert Review Endocrinology and Metabolism*, *Endocrine*.

Boards

(past and present):

- Member of the Board of Trustees and of the Board of Scientific Advisors of the International Osteoporosis Foundation (IOF), of the Board of Directors of the International Bone and Mineral Society (IBMS) and of the Board of the European Calcified Tissue Society (ECTS).
- President, Secretary, the Dutch Society for Calcium and Bone Metabolism.

Committees:

- European Commission Committee for establishing guidelines for the prevention and treatment of Osteoporosis in Europe. Co-Editor European Commission report on osteoporosis
- Senior Scientific Advisor European Union project: Osteoporosis in Europe: Call for Action
- WHO task force for the development of a world-wide strategy for the prevention and treatment of osteoporosis
- Co-Chair Publications Committee of the IBMS
- Advisory Committees of the Health Council of the Dutch Ministry of Health on urolithiasis and osteoporosis
- The Dutch Committee for the development of a national consensus for diagnosis and treatment of osteoporosis (CBO)
- Chairman study section Calcium and Bone metabolism of the National Organization for Scientific Research .
- Scientific Program Committees (*selected*);
International Workshops on Bisphosphonates, Davos, Switzerland (1994, 1996, 1998, 2000, 2002, 2004, 2006, 2008, 2010).
International Symposium on Clinical Disorders of Bone and Mineral Metabolism, Detroit, USA (1993, 2000)
International Conferences on Male Osteoporosis, Genova, Italy (2001, 2003, 2005)
International Congress on Paget's Disease of Bone, Sydney, Australia (1995)
International Congress of Endocrinology, San Francisco, USA (1996)
World Congress of Osteoporosis, Amsterdam, The Netherlands, 1996 (Co-Chair Local Committee)
European Congress of Endocrinology, Sevilla, Spain (1998)
European Congress of Osteoporosis, Berlin, Germany (1998)
International Bone and Mineral Society-European Calcified Tissue Society Congress, Geneva, Switzerland (2005)
European Calcified Tissue Society, Prague, Czech Republic (2006). Chair, International Bone and Mineral Society Congress, Toronto, Canada (2007).
European Calcified Tissue Society. Vienna, Austria (2009).
European Calcified Tissue Society, Athens, Greece (2011); Chair Local Committee.
Osteorheumatology International Congress, Genova, Italy (2011, 2013, 2015, 2016)

World Congress on Osteoporosis, Osteoarthritis and Musculoskeletal Diseases, WCO-IOF-ESCEO (2014, 2015, 2016, 2017)

Other:

- Course leader IOF Postgraduate Course on Osteoporosis and other Bone diseases.
- Associate Editor of the ASBMR “*Primer on the Metabolic Bone Diseases and Disorders of Mineral Metabolism*”.
- Member of the task forces of ASBMR and IOF-ECCEO on atypical fractures of the femur
- Member of the IOF (ESCEO) working groups on the use of FRAX in clinical practice, the effects of treatments on fracture healing, goal-directed treatment for osteoporosis, management of glucocorticoid-induced osteoporosis and rare bone diseases
- Medical advisor to the Dutch Society of Patients with Paget’s Disease
- Member, International Medical Advisory Panel of the Paget’s Foundation, USA

Research funding in The Netherlands (past and present):

The Dutch Organization for Scientific Research (MW-NWO, Programme and Project grants)
European Union (co-ordinator FP7 project)
The Dutch Kidney Foundation
The Dutch Cancer Society
The Dutch Prevention Fund
The Royal Academy of Sciences (KNAW)
Ziekenfondsraad (Ontwikkelingsgeneeskunde)
Dutch Society of Patients with Paget’s Disease
The Industry.

Teaching:

Continuous engagement in teaching at undergraduate and postgraduate levels in Greece, The UK and The Netherlands.

(Co-) Supervision PhD

Dissertations:

DJ Kok : The role of crystallization processes in calcium oxalate urolithiasis (Cum Laude) - 1991.

K Hoekman : Tumor-induced bone resorption - 1991.

G.van der Pluijm : Modulation of osteoclastic resorption by bisphosphonates and cytokines - 1992.

R Valkema : Photon absorptiometry in the follow-up of bone mineral content; reproducibility of the technique and clinical application in patients with osteoporosis treated with the bisphosphonate pamidronate - 1992.

ATM van Holten-Verzantvoort : Palliative bisphosphonate treatment of metastatic bone disease - 1993.

W Most: Modulation of osteoclastic bone resorption by sex steroids - 1995.

- F Eggelmeijer: Bone metabolism, bone mass and effects of pamidronate therapy in rheumatoid arthritis - 1995.
- DH Schweitzer: Pathophysiology of tumour hypercalcaemia and Paget's disease of bone and treatment with new bisphosphonates.- 1996.
- JO Landman: Long-term effects of bisphosphonate (pamidronate) therapy in osteoporosis - 1996.
- M Deckers: Building Bones: the role of VEGF-A in embryonic bone formation – 2001
- RL Van Bezooijen: Cytokines and nitric oxide as modulators of bone and cartilage degradation – 2001
- R Versluis: Osteoporosis in general practice, a diagnostic study - 2002
- E Van Beek: Mechanism of action of bisphosphonates (Cum Laude) - 2002
- R Pelger: Prostate cancer and the skeleton– 2003
- EMW Eekhoff: Paget's disease in the Netherlands; epidemiology, genetics and treatment – 2004
- S Cremers: Clinical pharmacokinetics and pharmacodynamics of bisphosphonates in metabolic bone diseases – 2004
- G van der Horst: Regulation of osteoblast differentiation (the role of major morphogenic signaling pathways and modulation by PTH/PTHRP signaling) – 2005.
- V Soerdjbalie-Maikoe: Hormone-refractory prostate cancer and the skeleton – 2006
- J T Buijs: Pathogenesis and treatment of skeletal metastasis; studies in animal models – 2008
- A van Lierop: Sclerostin, a key regulator of bone metabolism - 2013

D. PUBLISHED ABSTRACTS (number only): 390.

**E. SELECTED INVITED LECTURES.
(only recent; since January 2000).**

January 24-27, 2000; Lyon, France.

IOF Advanced Training Course in Osteoporosis and Bone Diseases.

Titles: Glucocorticoid-induced osteoporosis; Tumoral bone disease and hypercalcemia of malignancy; Design of clinical trials in osteoporosis.

March 8, 2000; Cairo, Egypt.

1st Annual Congress of the Egyptian Society for Osteoporosis.

Title: Evidence-Based Medicine in osteoporosis

April 5, 2000; Davos, Switzerland.

5th Workshop on Bisphosphonates

Title: Use of bisphosphonates in Paget's and other diseases.

April 12; Bath, UK.

7th Bath Conference on Osteoporosis.

Title: Bisphosphonates for the prevention and treatment of osteoporosis

May 19-21,2000; Delphi, Greece

2nd International Workshop on Musculoskeletal Interactions

Titles: Evidence-based medicine; principles and application in osteoporosis.

June 5, 2000; Antalya; Turkey

12th European Congress of Physical Medicine and Rehabilitation

Title: Evidence-Based Medicine; background and considerations for intervention studies in osteoporosis.

June 18, 2000; Chicago, USA.

World Congress on Osteoporosis

Title: Bisphosphonates in the treatment of postmenopausal osteoporosis.

June 24, 2000; Nice, France.

The EULAR Annual Congress

Title: How to prevent fractures.

June 30, 2000; Tel Aviv, Israel

The Sarnat Lecture in Bone Biology ; Dental School of Medicine ; University of Tel Aviv.

Title: Basic and Clinical Pharmacology of the Bisphosphonates.

September 10, 2000; Turku, Finland

28th Scandinavian Congress of Rheumatology

Title: Treatment of osteoporosis.

September 23, 2000; Toronto, Canada.

ASBMR; Satellite Symposium (CME)

Titles: Evidence-Based Medicine evaluation of the antifracture efficacy of bisphosphonates;

Are all bisphosphonates the same? from molecule to clinical practice.

October 6, 2000; Beirut, Lebanon.
1st Pan Arab Congress on Osteoporosis.
Title: Bisphosphonates in the treatment of postmenopausal osteoporosis.

October 30, 2000; Sydney, Australia
11th International Congress of Endocrinology
Title: The pathogenesis of Paget's disease of bone.

February 22-24, 2001; Siena, Italy.
First International Conference on Osteoporosis in Men.
Title: Bisphosphonates in men.

March 3, 2001; Mont-Pelerin, Switzerland.
15eme symposium sur l'osteoporose.
Title: Osteoporosis in general practice.

June 6, 2001; Madrid, Spain.
IBMS-ECTS Congress; Satellite Symposium (CME)
Title: The role of EBM in the management of osteoporosis

June 12, 2001; Torino, Italy.
5th European Congress of Endocrinology (EFES).
Meet the expert: hypercalcaemia.

January 22-24, 2002; Lyon, France
IOF Advanced Training Course in Osteoporosis and Bone Diseases.
Titles: Glucocorticoid-induced osteoporosis; Design of intervention studies in osteoporosis;
Tumoral bone disease.

March 3, 2002; Hong Kong, China
3rd Osteoporosis Symposium
Titles: Clinical utility of bone mass measurements; antifracture efficacy of therapeutic agents: a critical review of the evidence.

March 22, 2002; Davos, Switzerland
6th International Workshop on Bisphosphonates; From the laboratory to the patient
Title: Is today's mode of administration of bisphosphonates optimal?

April 11, 2002; Padova, Italy.
Postgraduate Course on Metabolic Bone Diseases; Mediterranean Society for Osteoporosis and other Skeletal Diseases.
Title: Osteoporosis: an underdiagnosed disease

12.05.02; Lisbon, Portugal.
World Congress on Osteoporosis.
Titles: Practical management of osteoporosis; the European perspective (meet the Professor);

June 12, 2002; Berlin, Germany.
10th International Congress on the Menopause.
Title: Bisphosphonates in the management of established osteoporosis.

June 13, 2002; Torino, Italy.
12th Postgraduate Course in Metabolic Bone Diseases.
Title: Evidence-Based Medicine approaches in the treatment of Osteoporosis

June 25, 2002; Cardiff, UK
Bone and Tooth Society of Great Britain
Title: Future therapies for osteoporosis.

August 27, 2002; Tokyo, Japan.
4th Bisphosphonate Forum.
Title: Glucocorticoid-induced osteoporosis: pathophysiology and therapeutic considerations.

September 23, 2002; San Antonio TX, USA.
ASBMR.; State of the Art Lecture
Title: Developments in the clinical use of bisphosphonates: facts and questions.

October 27, 2002; New Orleans Louisiana, USA.
American College of Rheumatologists 66th Annual Meeting
Title: Bisphosphonates in children; general considerations.

December 12, 2002; Cincinnati, Ohio, USA.
Grand Round Internal Medicine, University of Cincinnati.
Title: Bisphosphonates and the growing skeleton.

January 24-26, 2003; Lyon, France.
IOF Advanced Training Course in Osteoporosis and Bone Diseases.
Titles: Glucocorticoid-induced osteoporosis; Design of intervention studies in osteoporosis; Tumoral bone disease.

April 4, 2003; Genova, Italy.
2nd International Conference on Male Osteoporosis.
Title: Bisphosphonates in the management of male osteoporosis.

April 17, 2003; Athens, Greece
Annual Congress of the Hellenic Society for the Study of Bone Metabolism.
Title: Pharmacotherapy of osteoporosis; the future.

May 21, 2003; Balatonfured, Hungary.
13th Congress of the Hungarian Society for Osteoporosis and Osteoarthritis.
Title: Glucocorticoid-induced osteoporosis

June 7, 2003; Osaka, Japan.
IBMS-JSBMM meeting

Title : Angiogenesis and bone metastases.

June 21, 2003; Lisbon, Portugal

EULAR 2003

Title: Critical review of treatments for osteoporosis

July 14, 2003; Manchester, Vermondt, USA

17th Annual Symposium on Estrogens.

Title: How long should we treat?

October 3, 2003; Beirut, Lebanon

2nd International Conference of the Mediterranean Society for Osteoporosis.

Title: Bisphosphonates in the management of postmenopausal osteoporosis.

October 9, 2003; Krakow, Polland

12th Congress of Polish Society of Osteoarthrology and the Polish Foundation of Osteoporosis.

Title: Pharmacological management of osteoporosis: state of the art.

February 03-05, 2004; Lyon, France.

IOF Advanced Training Course in Osteoporosis and Bone Diseases.

Titles: Glucocorticoid-induced osteoporosis; Design of interventions studies in osteoporosis; Tumoral bone disease and hypercalcemia of malignancy.

March 12, 2004; Ostouni, Italy.

Postgraduate Course in Metabolic Bone diseases; Mediterranean Society for Osteoporosis and Bone Diseases.

Title: Paget's disease of bone.

March 24, 2004; Davos, Switzerland

7th International Workshop on Bisphosphonates; From the laboratory to the patient .

Title: The pharmacology of bisphosphonates .

April 2, 2004 ; Lisbon, Portugal

12th Portuguese Congress of Rheumatology

Title: Bone quality; What clinicians need to know.

April 30, 2004; Limnos, Greece.

12th Congress EMMO

Title: Too much bone

May (13-17) 2004; Rio de Janeiro, Brasil

IOF Congress on Osteoporosis

Titles: Osteoporosis treatment: what does the future hold? Meet the Professor session: How long should we treat for?

May 22, 2004; Ayrshire, Scotland

Clinical Update on the Management and treatment of Osteoporosis.

Title: Update on the medical management of osteoporosis.

October 3, 2004; Seattle, USA

26th Annual Meeting of the ASBMR; CME Symposium.

Title: Long-term outcomes with bisphosphonates in osteoporosis.

October 15, 2004; Carzago, Italy

Skeletal Endocrinology 2004; Bone Anabolic Hormones.

Title: Bone Morphogenetic proteins and their antagonists: Basic concepts and clinical applications

October 29, 2004; Venice, Italy

New perspectives: Bone Involvement in Arthritis

Title: Bisphosphonates and arthritis.

November 15, 2004; Pisa, Italy.

5th International Menopause Society Workshop

Titles: Bisphosphonates in the prevention and treatment of osteoporosis; Mechanism of antifracture efficacy of bisphosphonates.

January 22, 2005; Florence, Italy.

1st International Meeting on Pharmacogenetics of Osteoarticular Disorders.

Title: Extraskeletal effects of osteoporosis treatments.

February 1-3, 2005; Lyon, France.

IOF Advanced Training Course in Osteoporosis and Bone Diseases.

Titles: Bisphosphonates: preclinical aspects and safety; How to design clinical trials in osteoporosis in 2005; Tumoral bone disease and hypercalcemia of malignancy.

February 16, 2005; New Orleans, USA.

11th Annual Meeting of the International Society for Clinical Densitometry.

Title: New concepts concerning bone strength.

March 4, 2005; Athens, Greece.

3rd National Conference of the Climacteric and the Menopause.

Title: Treatment of postmenopausal osteoporosis: what the future holds?

March 24, 2005; Davos, Switzerland.

Cancer-Induced Bone Disease

Title: Lessons from postmenopausal osteoporosis for cancer clinicians.

April 7, 2005; Washington DC, USA.

6th International Symposium on Osteoporosis (NOF, USA).

Title: What is treatment failure and what should be done about it?

May 20, 2005; Pescara, Italy

Congress of the Italian Society for Rheumatology.

Title: Treatment of osteoporosis in the future.

June 27, 2005; Geneva, Switzerland
ECTS-IBMS Joined Meeting.
Meet the Professor:

August 28, 2005; Taipei, Taiwan.
Annual Meeting of the Taiwanese Society for Osteoporosis
Title: Osteoporosis: Development in diagnosis and treatment

September 2, 2005; Naantali, Finland
5th Baltic Bone and Cartilage Congress
Title: Paget's disease: Characteristics and treatment principles

September 4, 2005; Gottenborg, Sweden
European Congress of Endocrinology
Title: Bisphosphonates: Mechanism of action.

September 8, 2005; Tunis, Tunisia.
3rd Pan Arab Congress on Osteoporosis.
Title: How long should we treat for?

September 17, 2005; Rhodes, Greece
1st International Meeting on Bone Strength and Quality Parameters
Title: Biomarkers

September 23, 2005; Nashville, USA.
27th Annual Meeting of the ASBMR; Symposium: The periosteum, a target for all seasons
Title: The periosteum as target of treatments

October 2, 2005; Napoli, Italy
Mediterranean Congress of Osteoporosis and Bone Diseases
Title: Bisphosphonates: Long-term efficacy and safety

October 7, 2005; Krakow, Poland.
1st Central European Congress of Osteoporosis and Osteoarthritis
Title: The evolution of bisphosphonate treatment of osteoporosis

October 14, 2005, Kaunas, Lithuania
2nd Baltic Conference of Osteoporosis
Title: Osteoporosis: How long should we treat for?

November 10, 2005, Wentbridge, UK
21st Symposium on Practical Medicine for Old Age
Title: Advances in the management of osteoporosis

November 18, 2005; Coimbra, Portugal
17th Course in Rheumatology

Title: Evidence-based treatment of osteoporosis; state-of-the art

November 26, 2005; Athens, Greece

Osteoporosis Update

Title: Control of bone formation by osteocytes and its implications in the treatment of osteoporosis.

January 14, 2006; Fort Lauderdale, USA

Paget's Disease of Bone/Fibrous Dysplasia: Advances and Challenges

Title: Resistance to bisphosphonates in Paget's disease.

January 31-February 2, 2006; Lyon, France.

15th IOF Advanced Training Course in Osteoporosis

Titles: Bisphosphonates preclinical pharmacology and safety; Tumoral bone disease; Planning clinical trials in 2006.

March 17, 2006; Vienna, Austria.

6th European Congress on Clinical and Economic Aspects of Osteoporosis and Osteoarthritis.

Title: Update on the management of secondary osteoporosis; clinical and economic aspects.

March 22, 2006; Davos Switzerland.

8th Workshop on Bisphosphonates.

Title: Bisphosphonates: Pharmacology, pharmacokinetics and adverse effects.

March 31, 2006; Athens, Greece

Greek Congress of Endocrinology

Title: Bisphosphonates: beyond weekly administration

April 7, 2006; Thessaloniki, Greece

Annual Congress EEMMO

Title: Treatment failure in osteoporosis

April 29, 2006; Azores, Portugal.

Portuguese Congress of Rheumatology

Title: Future treatments of osteoporosis

May 10, 2006; Prague, Czech Republic

ECTS meeting

Title: Meeting overview (for allied health professionals)

May 30, 2006; Boston, USA

Boston IV Meeting on Bone and Cartilage Diseases

Title: Synergy and Interference in combining antiresorptive and anabolic therapy.

June 6, 2006; Toronto, Canada

IOF Congress on Osteoporosis

Title: Rationale for choosing antiresorptive or anabolic treatments

September 9, 2006; Corfu, Greece.

2nd International Scientific Meeting Bone Quality Parameters and Bone Strength.

Titles: Interpretation of BMD measurements; Oversuppression of bone turnover.

September 16, 2006; Philadelphia, USA.

28th Annual ASBMR Meeting

Title: Osteoporosis: New targets of Therapy

October 13, 2006; Tokyo, Japan

Joined meeting of the JOS and the ASBMR

Title: Targeting the bone remodeling imbalance of osteoporosis with intravenous bisphosphonates or inhibitors of sclerostin

October 21, 2006; Venice; Italy

Title: Is there a role for bisphosphonates in inflammatory arthritis?

November 3, 2006; The Hague, The Netherlands

European Congress of Oncology

Title: Pathophysiology of bone metastases

January 30, February 1, 2007; Lyon, France

16th IOF Advanced Training Course in Osteoporosis

Titles: Bisphosphonates preclinical pharmacology and safety; Tumoral bone disease; Planning clinical trials in 2007.

April 28, 2007; Kaoshiung, Taiwan

52nd Congress Taiwan Orthopaedic Association

Title: Bisphosphonates in the management of osteoporosis; efficacy and long-term safety.

May 1, 2007; Budapest, Hungary

European Congress of Endocrinology

Title: Sclerostin: an osteocyte-produced regulator of bone formation

May 5, 2007; Copenhagen, Denmark

ECTS Training Course: Bone Quality, from bench to bedside

Title: Oversuppression of bone remodeling

May 19, 2007; New York, USA

NY Academy of Sciences: Bisphosphonates & Osteonecrosis of the Jaw

Title: Use of bisphosphonates in osteoporosis

May 26, 2007; Paphos, Cyprus

15th Annual Meeting of the Hellenic Society for the Study of Bone Metabolism

Title: Follow-up of osteoporosis treatments

June 28, 2007; Montreal, Canada
CME Symposium at the 17th IBMS Meeting
Title: Cathepsin K inhibition: A novel mechanism of action.

July 12, 2007; Oxford, UK.
Advances in the Molecular Pharmacology and Therapeutics of Bone Disease & International Symposium on Paget's Disease.
Title: Bisphosphonates and oversuppression of bone turnover: weighing the evidence.

September 16, 2007; Honolulu, USA.
29th ASBMR Meeting; Debate.
Title: Excessive suppression of bone turnover with antiresorptive therapies: fact or fiction?

September 29, 2007; Samos, Greece.
3rd International Meeting " Bone Quality Parameters & Bone Strength"
Title: Malignant diseases and the skeleton.

October 11, 2007. Krakow, Poland.
2nd Central European Congress on Osteoporosis and Osteoarthritis.
Title: Rationale for using anabolic and antiresorptive treatments in osteoporosis.

November 15, 2007; Florence, Italy
7th National Congress of the Italian Society for Osteoporosis, Mineral Metabolism and Diseases of the Skeleton.
Title: Targeting rank ligand for treatment of bone loss disorders.

December 6, 2007; Washington DC, USA.
Targeting Bone Remodeling for the Treatment of Osteoporosis; ASBMR Meeting.
Organizing Committee, Speaker.
Title: Bisphosphonates: Clinical Aspects

January 29-31, 2008; Lyon, France.
17th IOF Advanced Training Course in Osteoporosis
Titles: Bisphosphonates preclinical pharmacology and safety; Tumoral bone disease;
Planning clinical trials in 2008.

March 2,3, 2008; Dubai, UAE.
4th Pan Arab Osteoporosis Conference.
Title: Excessive suppression of bone turnover by bisphosphonates: weighing the evidence; Identification of molecular defects of rare bone diseases provides targets for development of novel osteoporosis therapies.

March 13, 2008; Davos, Switzerland.
IBMS Davos Workshops: Bone Biology & Therapeutics (member Steering Committee;
speaker)
Title: Bisphosphonates: Current clinical issues.

April 9-12, 2008. Istanbul, Turkey.
ECCEO 08 Congress
Meet the Professor: Management of glucocorticoid induced osteoporosis.

April 24, 2008; Berne Switzerland.
Meeting of the Swiss Association against Osteoporosis
Title: Bisphosphonates: Which and for how long?

May 26, 2008; Barcelona, Spain.
ECTS; 35th European Symposium on Calcified Tissues
Title: Optimization of osteoporosis treatment.

June 6, 2008; Kos, Greece
16th Annual Meeting of the Hellenic Society for the Study of Bone Metabolism.
Title: Identification of individuals at risk for osteoporotic fractures.

September 13, 2008; Montreal, Canada.
ASBMR, CME Program: Expanding the spectrum of osteoporosis treatment.
Title: Patient selection for treatment and bisphosphonate options.

September 14, 2008; Montreal, Canada.
ASBMR, CME Program: The treatment of osteoporosis: where are we now and do the emerging therapeutic agents offer a brighter future?
Title: Future strategies for the treatment of osteoporosis

September 26, 2008; Delphi, Greece.
11th International Workshop on Multiple Endocrine Neoplasia.
Title: Medical treatment of hypercalcaemia.

October 1, 2008; Santa Margherita, Italy.
4th International Conference on Bone Involvement in Arthritis.
Title: Bisphosphonate pharmacology; An overview.

October 17, 2008; Antalya, Turkey.
3rd National Osteoporosis Congress.
Title: Excessive suppression of bone remodeling by bisphosphonates: weighing the evidence.

November 6, 2008; Oviedo, Spain.
13th Congress of the SEIOMM
Title: New therapeutic targets for osteoporosis: inhibition of cathepsin K.

November 10, 2008; Rio de Janeiro, Brazil
International Congress of Endocrinology 2008
Title: Osteoporosis-treatment monitoring and how long for?

November 21, 2008; Perugia, Italy.

8th National Congress SIOMMMS

Title: Treatment of osteoporosis: State of the Art.

February 3-5, 2009; Lyon, France.

18th IOF Advanced Training Course in Osteoporosis

Titles: Bisphosphonates preclinical pharmacology and safety; Tumoral bone disease; Planning clinical trials in 2009.

March 19, 2009; Athens, Greece

ECCEO9-IOF

Title: How to present scientific data in a first-line meeting: strengths and weaknesses.

March 21, 2009; Athens, Greece.

ECCEO9-IOF

Debate: Long-term use of bisphosphonates in osteoporosis is bad.

March 27, 2009; Prague, Czech Republic.

41st International Symposium on Endocrinology & Metabolism

Title: Treatment of secondary osteoporosis by bisphosphonates: a pediatric perspective.

April 22, 2009; Thessaloniki, Greece

28th Annual Congress of Orthopaedics & Traumatology Association of Northern Greece.

Title: The future of Osteoporosis Treatment

April 26, 2009; Istanbul, Turkey.

11th European Congress of Endocrinology.

Title: Current and novel treatment targets of bone diseases

May 16, 2009; Crete, Greece.

17th Annual Meeting of the Hellenic Society for the Study of Bone Metabolism

Title: Subtrochanteric/diaphyseal femur fractures and bisphosphonates.

July 8, 2009; Oxford UK

NARPD Conference 2009

Title: The development of bisphosphonates in Leiden.

September 12, 2009; Denver Co, USA.

ASBMR Annual Meeting;

Meet-the Professor: Do we know everything about bisphosphonates in osteoporosis?

October 24, 2009; Krakow, Poland.

3rd Central European Congress on Osteoporosis and Osteoarthritis.

Title: Treatment of osteoporosis beyond 5 years.

November 19, 2009; Torino, Italy.

9th Annual Congress SIOMMMS

Title: Bisphosphonates and the femur; facts and questions

January 16, 2010; Brussels, Belgium..

Belgian Bone Club

Title: The clinical significance of inhibiting the RANK/RANKL signaling pathway.

February 2-4, 2010, Lyon, France.

19th IOF Advanced Training Course in Osteoporosis

Course leader

Titles: Bisphosphonates preclinical pharmacology and safety; Perspectives in osteoporosis treatment; Planning clinical trials in 2010.

February 29, 2010, Athens, Geece.

Hellenic Society for Endocrinology

Title: Targeting Cathepsin-K and Sclerostin for the treatment of osteoporosis

April 17, 2010; Mandelieu, France.

Vienna Academy of Postgraduate Education & Reasearch

Title; Targeting sclerostin as novel treatment for osteoporosis

May 5-8, 2010; Florence, Italy.

IOF WCO – ECCEO 10

Title: Emerging treatments for osteoporosis

Meet the Professor: Bisphosphonates and chronic renal failure

May 15, 2010; Athens, Greece

18th Annual Meeting of EEMMO

Title: Novel approaches to anabolic treatment of osteoporosis

September 11, 2010; Genova, Italy.

Bone Involvement in Arthritis

Title: RANKL inhibition in osteoporosis and rheumatoid arthritis

September 23, 2010; Luxemburg

14th Belgian Congress on Rheumatology

Title: Denosumab in postmenopausal osteoporosis.

September 25, 2010; Sopron, Hungary

8th Central European Congress of Rheumatology

Title: RANKL inhibition in the management of postmenopausal osteoporosis; clinical evidence.

September 25, 2010; Genova, Italy.

International Congress on Osteoporosis in Men

Title: From high bone mass diseases to the future of osteoporosis treatment; the sclerostin paradigm.

November 27, 2010; Vienna, Austria.

Autumn meeting of the Austrian Society for Bone and Mineral Research.

Title: Targeting sclerostin; a novel approach to anabolic treatment of osteoporosis.

February 1-3, 2011; Geneva, Switzerland

20th IOF Advanced Training Course in Osteoporosis

Course leader

Titles: Bisphosphonates preclinical pharmacology and safety; Perspectives in osteoporosis treatment; Planning clinical trials in 2011.

February 10, 2011; Leiden, The Netherlands

Boerhaave Cursus Endocrinologie

Title: Osteoporosis

March 26, 2011; Valencia, Spain.

ESCEO-IOF Congress

Title: Future perspectives in the treatment of osteoporosis.

May 12, 2011; Athens, Greece.

ECTS/IBMS Congress

Title: Antiresorptive treatments: bisphosphonates

June 11, 2011; Rome, Italy.

13th World Congress on Menopause

Title: Treatments of osteoporosis beyond bisphosphonates

July 1, 2011; Chalkidiki, Greece

2nd Trilateral Congress on Osteoporosis and Osteoarthritis.

Title: Atypical fractures of the femur and bisphosphonate use.

September 30, 2011; Krakow, Poland

4th Central European Congress on Osteoporosis and Osteoarthritis

Title: Long-term efficacy and safety of denosumab in postmenopausal osteoporosis.

October 8, 2011; Ioannina, Greece

19th Congress EEMMO

Title: Sequential therapeutic regimens for osteoporosis; possibilities and future prospectives.

October 14, 2011; St Margherita, Italy

Osteorheumatology 2011

Title: Combination and sequential treatments in the management of osteoporosis

October 22, 2011; Dubai, UAE

IOF Regionals; 1st Middle East & Africa Osteoporosis Meeting

Title: Monitoring patients with osteoporosis

November 4, 2011; A Coruna, Spain

16th Congress SEIOMM

Title: Treatment of patients with fractures

November 18, 2011; Rome Italy

11th National Congress of SIOMMMS

Title: New therapeutic frontiers for osteoporosis

December 3, 2011; Bratislava; Slovakia

5th Central European Osteoporosis Summit

Title: Novel approaches to treatment of osteoporosis

January 20, 2012; Barcelona, Spain

World Congress on debates & Consensus in Bone, Muscle & Joint Diseases

Title: Inhibition of Sclerostin in the treatment of osteoporosis+ will it solve the problem of anabolic therapy?

January 30-February 2, 2012; Geneva, Switzerland

20th IOF Advanced Training Course in Osteoporosis

Course leader

Titles: Bisphosphonates preclinical pharmacology and safety; Perspectives in osteoporosis treatment; Planning clinical trials in 2012.

March 3, 2012; Rome, Italy

Controversies in Osteoporosis

Title: Duration of treatments for osteoporosis.

March 11, 2012; Taipei, Taiwan

33rd Annual Meeting of the Endocrine Society abd the Diabetic Association of the Republic of China.

Title: Novel approaches to the treatment of postmenopausal osteoporosis.

March 22, 2012; Bordeaux, France

IOF-ECCEO 12/IOF-ECTS-FROMO Symposium

Title: Treatment of GIOP with bisphosphonates and other agents

March 23, 2012; Bordeaux, France

IOF-ECCEO 12/ Plenary lecture

Title: Building new bone; is this possible?

May 7, 2012; Florence, Italy

ICE/ESE 2012

Title: Controversial issues with bisphosphonates

July 2-3, 2012; Manchester, UK

Osteoporosis and Bone Conference 2012

Titles: Treatment of Paget's disease of bone; Osteoporosis treatment conundrums.

September 21, 2012; Brescia, Italy

5th Meeting Skeletal Endocrinology

Title: Inhibition of sclerostin and myostatin in the treatment of osteoporosis

September 28, 2012; Dead Sea, Jordan

2nd IOF Middle East and Africa Osteoporosis Meeting

Title: Pathophysiology of Osteoporosis

October 5, 2012; Rome, Italy

8th National Congress GISMO

Title: RANKL inhibition: from bench to management of osteoporosis.

October 25, 2012; Sinaia, Romania

National Congress of Rehabilitation

Title: Is anabolic treatment of osteoporosis possible?

November 17, 2012; Bologna, Italy

12th National Congress SIOMMMS

Title: Combinations and sequential treatments of osteoporosis.

January 30-February 1, 2013; Geneva, Switzerland

21th IOF Advanced Training Course in Osteoporosis

Course leader

Titles: Perspectives in osteoporosis treatment; Planning clinical trials in 2013; Bone quiz

March 18, 2013; Harrogate, UK

Annual Meeting British Endocrine Society

Title: Inhibition of sclerostin in the treatment of osteoporosis

April 19, 2013; Rome, Italy

ESCEO13-IOF Congress; Meet the Professor session

Title: Monitoring treatment of osteoporosis

April 27, 2013; Rhodos, Greece

5th National Congress EPEMY

Title: Personalizing treatment of osteoporosis

May 25, 2013; Hong Kong

14th Regional Osteoporosis Conference

Title: Selection of osteoporosis treatment to prevent fractures; challenges and latest developments.

August 29-30, 2013; Buenos Aires Argentina

30th Annual Congress Argentinian Society Osteology and Mineral Metabolism

Titles: Bisphosphonates: 40 years of clinical use; Sclerostin: from human genetics to treatment of osteoporosis.

September 20, 2013; Krakow, Poland

5th Central European Congress on Osteoporosis and Osteoarthritis
Title: Novel therapies for postmenopausal osteoporosis.

October 6, 2013; Baltimore, USA
ASBMR symposium on Sclerostin
Title: Lessons from rare bone diseases

October 15, 2013; Genova, Italy
OsteoRheumatology 2013
Title: Biologic treatments for osteoporosis.

October 25-26, 2013; Dubai, UAE
1st MEA Bone Academy.
Titles: Relationship between bone turnover and fracture risk; Issues with long-term of osteoporosis (incl AFF); Clinical efficacy and safety of OP drugs: where are the differences?

October 29, 2013; Lausanne, Switzerland
Department of Medicine CHUV
Title: From rare genetic bone diseases to treatment of osteoporosis: the sclerostin paradigm.

November 9, 2013; Volos, Greece
21st National Congress EEMMO
Title: Treatment of osteoporosis beyond bisphosphonates

February 22, 2014; Brussels, Belgium
Werkgroep Osteoporose KBV van Reumatologie
Title: New Prospects in Fracture Prevention: Odanacatib and Antisclerostin Antibodies.

March 8, 2014; Barcelona, Spain.
Bone Academy 2014; Bone dynamics
Title: Atypical Femoral Fractures; Facts, Uncertainties and Questions

March 19, 2014; Punta del Este, Uruguay
PANLAR 2014
Title: Novel approaches to the treatment of osteoporosis.

April 2, 2014; Sevilla, Spain
WCO-IOF-ESCEO 2014
Title: Best clinical papers in 2014

April 5, 20014; Sevilla, Spain
WCO-IOF-ESCEO 2014
Title: how long can bone turnover be suppressed?

June 17, 2014; Trondheim, Norway

Norwegian University of Science & Technology
Title: Treatments of osteoporosis: are they effective?

October 2, 2014; Bucharest, Romania
Annual Meeting Romanian Society of Rheumatology
Title: Biologics in the treatment of osteoporosis

October 10, 2014; Kuala Lumpur, Malaysia
9th Annual Meeting Malaysian Osteoporosis Society
Title: How long can bone turnover be suppressed?

October 11, 2014; Kuala Lumpur, Malaysia
9th Annual Meeting Malaysian Osteoporosis Society
Title: Treatments of Osteoporosis; Does benefit outweigh the risk? Antiresorptives

October 23, 2014; Tokyo, Japan
16th Annual Meeting Japan Osteoporosis Society
Title: Novel Approaches to Treatment of Osteoporosis

December 12, 2014; Florence, Italy.
9th Annual OrtoMed Congress
Title: Long-term efficacy and safety of denosumab in the treatment of postmenopausal osteoporosis.

February 27-28, 2015; Berlin, Germany.
8th Bone Academy Meeting
Co-chair, speaker
Title: Sclerostin, lessons from human genetics

March 28, 2015; Milano, Italy
WCO-IOF-ESCEO
Title: Bone anabolic therapies for osteoporosis

April 25, 2015; Rotterdam, Netherlands
ECTS-IBMS Congress
Steven Boonen Lecture
Title: From rare bone diseases to treatments of osteoporosis; the sclerostin paradigm

May 10, 2015; Rome, Italy
EULAR 2015
Title: Modern treatment of osteoporosis, the first 5 years of treatment

June 25, 2015; Bergamo, Italy
Osteorheumatology 2015
Title: Biologic therapies in osteoporosis

September 3, 2015; Edinburgh, UK
Bone Research Society

Title: Inhibition of sclerostin in the management of postmenopausal osteoporosis

September 17, 2015; Brescia, Italy

2nd Translational European Society of Endocrinology Bone Course

Title: Wnt, Bone Metabolism and Osteoporosis Treatment

September 23, 2015; Genk, Belgium

19th Belgian Congress on Rheumatology

Vesalius Lecture

Title: From antiresorptive to osteoanabolic therapy to prevent fractures

October 17, 2015; Doubai, UAE

3rd MEA Bone Academy

Titles: Fracture risk and prevention in men and women with sex-hormone dependent cancer and therapy; What is the future of osteoporosis therapy?

November 3, 2015; Hobart, Australia

ANZBMS, MEPSA, MBSANZ Joined Annual Meeting

Title: From rare bone diseases to treatments of osteoporosis: The sclerostin paradigm.

November 14, 2015; Brussels, Belgium

Belgian Society of Orthopedics & Traumatology, Belgian Bone Club

Title: Role of bone metabolism in the pathophysiology of non-union

March 11,12, 2016; Barcelona, Spain

9th Bone Academy

Co-Chair, Speaker

Title: Compare and contrast effects of old and new antiresorptives on bone

April 17, 2016; Malaga, Spain

WCO IOF-ESCEO 2016

Title: Novel targets and therapies for osteoporosis

May 15, 2016; Rome, Italy

ECTS 2016

Title: Inhibition of sclerostin – clinical outcomes

May 31, 2016; Munich, Germany
