Application of Evidence-Based-Practice (EBM-EBN-EBP) principles and procedures in daily practice

CONGRESS VENUE

The Grand Hotel Trento, the conference venue, is located in the historical centre of the city, 300 meters away from the train station.

Trento's multi-millennial history has always been an attraction for different tastes, creating a unique cultural mix. The city perfectly combines Alpine nature with Italian elegance, making it a popular destination for history and nature lovers. Besides the ornate facades of the historic buildings in the centre and the forests, there is more. Indeed, Trento has much to offer and its culture, relaxed atmosphere and culinary specialities are a good example of this.

GENERAL INFORMATION

HOW TO REACH THE CONGRESS VENUE

> From the Highway - South:

Please take the Exit TRENTO SUD. Take Strada Statale 12 then take EXIT 6. Follow direction Centro - Stazione. The Grand Hotel Trento is located in front of the station and can be reached by driving along the park of Piazza Dante.
